**Describe Her for the Adv.**  
WASHINGTON, March 21.—Rear-Admiral Cameron McKee Winslow, in command of one of the divisions of the Atlantic fleet, enjoys the distinction of being probably the first Admiral in the American Navy to desert the deep and take to the air, for March 12 he made a fourteen-minute flight with Lieut. Towers in one of the navy's flying boats off Guantanamo.

**GIVE ME A CHANCE TO  
CURE YOUR RHEUMATISM  
FREE**

I took my own medicine. I cured my rheumatism after I had suffered for thirty-six years. I spent \$20,000 before I discovered the remedy that cured me, but I'll give you the benefit of my experience for nothing. If you suffer from rheumatism let me send you a package of my remedy absolutely free. Don't send any money. I want to give it to you. I want you to see for yourself what it will do. The X-ray picture shows how rheumatism enters and distorts the bones. My remedy cures you and restores you to health. You don't need any other remedy. I believe I will cure you and I'll send you a free package the very day I get your letter.
